Sophia wins support from Elk Grove's Business Community
Sophia will help lead Elk Grove through the economic crisis

Elk Grove – The Committee to Re-Elect Sophia Scherman is pleased to announce the endorsements of the Elk Grove's Chamber of Commerce, the Sac Metro Chamber of Commerce, and the Sacramento Hispanic Chamber of Commerce. A former small business owner, Sophia operated Sophia's Travel for 10 years and is the past President of the Elk Grove Chamber of Commerce.

"As a member of the business community, Sophia has a good understanding of the hardship falling upon our small family businesses in these hard economic times," commented Jack Williams, Chair of the Elk Grove Chamber of Commerce.

"Sophia will propose strong local economic measures, including slashing business fees, to encourage growth and bring more jobs to Elk Grove."

Sophia will also work with the Chamber of Commerce and the Economic Development Corporation to cut red tape and ease business regulations-helping stimulate local businesses that are impacted by the financial crisis and economic downturn.

The Elk Grove Chamber, the Sac Metro Chamber, and the Sacramento Hispanic Chamber joins Elk Grove Firefighters, Elk Grove Police Officers Association, the Building Industries Association, the Elk Grove Builders Exchange, hundreds of local community leaders and residents in supporting Sophia's re-election to the Elk Grove City Council.
